Subject: acceptance Letter
To: Gauri M Tambe <tambegauri19@gmail.com>

Dear Gauri M Tambe
Thank you for submitting a paper to the International Conference on Smart Computing for Sustainable Development to be held on 25-27 November, 2026. We received an overwhelming response for paper submissions and after a rigorous review process and based on reviewers' comments, We are glad to inform you that "49" titled "SecureSign: Offline Signature Verification with Confidence-Aware CNN Modeling" with track Track 1: Artificial Intelligence & Machine Learning for Sustainability is accepted for presentation in conference.
You are requested to consider the reviewers' comments and submit the camera-ready paper by 4th October, 2026. To view reviewer's comments, please login to your Microsoft CMT account in status column at author console. Registration details are available on https://vit.edu/ICSCSD2026/registrations.php. Please note that if you do not register for the conference and do not incorporate the reviewers' comments and present the paper, your paper will not be recommended for inclusion in IEEEXplore digital library. Do register and fill the registration form https://forms.gle/ZNjUkGKrcMQ5KdQL8 on or before 4th October, 2026.

The information given below will help you to prepare and submit the final camera ready paper. Request you to follow all the steps given below to ensure the successful submission of your paper.

1. Every paper is required to have minimum 4 pages and should not exceed 6 pages
2. Please refer the link given here to create you paper in Word/Latex format https://www.ieee.org/conferences/publishing/templates.html
3. Please cross check that your paper contains the following
a. Paper Title
b. Author Name
c. Author Affiliation (Sequence should be like Author Name, Author Department, College Name, College Address, and email id as shown below

Amit Kumar Singh
Mechanical Engineering Department
NIT Patna
Patna, India
acingh@gmail.com

d. All authors can put their mail id's but mail id of Corresponding Author is must
e. Abstract and Keywords
f. Introduction
g. Main Content
1. All figures, tables and equations are properly numbered
2. Use high resolution images for better view
3. The Figures/Tables should be readable and clear, with readable legends.
h. Conclusion
i. References - There are sufficient references, which are referred to appropriately in the text
4. Make sure that the paper has less than 10% Similarity index report.
5. Please do not add any header and footer (page no, conference name, ISBN no etc) in your paper.
6. Please do not use word file converted from pdf. Share the original word or Latex file only used to write the paper else the paper would not be considered for Publication.
7. Once your Paper is ready, create a pdf file of your paper.
8. Create a folder and rename it with the Conference title and your Paper ID (for example if your paper Id is 32 then put the name as (ICSCSD2026-ID_032) and add Word or Latex file (along with all supporting files) and the created pdf file in the folder.
9. Zip the folder and uplod the zip file in the option created at https://forms.gle/ZNjUkGKrcMQ5KdQL8

Final Paper review:
Your final submitted documents will be checked by Publication team to ensure that it meets all formatting and compatibility requirements for IEEE Xplore-compliant proceedings. If we encounter any issue or error in the paper, you will be contacted by email/phone.

e-copyright Submission:
As soon as you register and sent the camera ready paper, e copyright link will be enabled in your CMT login and you need to submit the ecf form after checking the paper title and author names.

If you have any query, please email at viticscsd@gmail.com
For registration, if you have any query, please contact to Prof. Gitanjali Yadav 9762763363
Once again we are thankful for contributing to ICSCSD 2026
With warm regards

Technical Program Committee
